# Message

## from the President and CEO

Dear Friends,

2018 was an incredible year for charitable giving and growth at the Scranton Area Community Foundation. This year, we proudly welcomed 23 new charitable funds established by philanthropists looking to make an impact on the causes they care about.

We are grateful to be entrusted with the honor and responsibility of helping our donors carry out their philanthropic legacies. We take very seriously our role as a steward of charitable funds, a grantmaker, a catalyst for change and growth, and a convener working to seek solutions to challenges facing our communities.

This year, we made strides towards removing transportation barriers that many of our friends and neighbors face on a daily basis. Through our leadership of NEPA Moves, the regional transportation initiative which promotes equitable access to critical services, we worked towards fostering regional economic growth and greater opportunity across Northeastern Pennsylvania. NEPA Moves received praise this year for being a unique, collaborative model not only for the state of Pennsylvania, but as a national model for cross-sector partnerships advancing transit equity, and for that, we are deeply encouraged by the potential that lies ahead.

We are also grateful for the support that has enabled our efforts to strengthen the infrastructure and impact of nonprofit organizations in our communities through our Center for Community Leadership and Nonprofit Excellence. This year, we brought in national experts on topics aimed to enhance our regional nonprofit leaders' abilities to meet their organizations' critical missions—from business planning to creating a fundraising culture. We are profoundly committed to building the capacity of nonprofit organizations and, in turn, the impact of their critical work. We couldn't do this without the generosity of our donors.

We are also fortunate for the community support shown to the 25 local nonprofit organizations we brought together for our annual NEPA Match Day. Through the Foundation's leadership on NEPA Match Day, a record amount of over \$217,000 in charitable funds was raised—all during a 24-hour period.

Our Women in Philanthropy initiative continues to empower and transform the lives of women and girls and their families across the region. Several thousand students in K-12 public schools have received STEAM education; multiple women-owned businesses have been launched through the microloan program; and thousands of dollars in matching funds have been provided for women developing savings accounts for themselves and their families.

In 2018 and beyond, we are on a mission to enhance the quality of life for all people in the region by helping charitably-minded individuals carry out their philanthropic goals, and by encouraging the sustainability and growth of regional nonprofit organizations. It is only because of your generosity that we can continue to help change lives in our region. We are extremely grateful to you for your support.

With appreciation,

Laura Ducceschi  
President and CEO, Scranton Area Community Foundation

# A Note to the Community

from the Board Chair

Dear Friends,

Scranton Area Community Foundation's Board of Governors is comprised of community leaders and volunteers who are committed to the Foundation's mission of enhancing the quality of life of people in Northeastern Pennsylvania through the development of organized philanthropy.

The board serves as stewards of donor funds and foundation resources. Our board members work to ensure the highest levels of executive and management performance, responsible grant making, quality donor relations, accountable stewardship of philanthropic funds, and the financial health of our organization.

In addition to attending quarterly board meetings, board members also serve on committees which meet regularly to address important issues. Each committee is actively engaged and critical to carrying out the work of the full board which provides oversight of the organization's goals, approves the operating budget and strategic plan, and develops decision making policies and processes regarding donor relations and grant-making to ensure we are always mission-driven.

At the Scranton Area Community Foundation, the board of directors and President/CEO work well together to set the tone for the entire organization. We are fortunate to have an effective government/administration partnership committed to transparency, accountability, efficiency, inclusion and informed decision making to fulfill the Scranton Area Community Foundation's important mission.

We are proud to report another successful year of continued growth and expansion...and look forward to equally successful years ahead!

Sincerely,

A handwritten signature in black ink that reads "Rosemary Broderick". The signature is written in a cursive, flowing style.

# Enhancing

## the quality of life in Northeastern Pennsylvania through charitable funds

Funds established at the Scranton Area Community Foundation will benefit the causes and charities you care about both now and decades into the future. No matter what charitable objectives you would like to accomplish, the Scranton Area Community Foundation has a type of fund that will make it easier for you to reach your goal. Contact us today to learn how you can improve our region by creating your own charitable fund or by supporting the work of a fund that already exists. The Foundation even provides a match to endowment funds!

### **Donor Advised Funds**

Donor Advised Funds are the most flexible fund vehicle which allows donors to make an outright gift to the Scranton Area Community Foundation to support a wide variety of charitable causes. These causes can be selected by the donor any time throughout the year.

### **Scholarship Funds**

We manage over 50 scholarship funds that have been created to benefit an array of students, educational institutions, fields of study, and summer camps. Each scholarship is unique and customized to align with the wishes of the donor.

### **Organizational Endowment Funds**

Charitable organizations interested in ensuring the long-term sustainability of a nonprofit can create an organizational endowment fund. This type of fund guarantees a reliable revenue stream that will support the work of an agency in perpetuity.

### **Non-Endowed Funds**

These funds are ideal for a shorter-term project or a desire for more immediate, but not necessarily long-term, impact. A non-endowed fund has no permanent principal balance and is immediately available for grant distribution. Non-endowment funds may be used to provide flexible, on-going support for many different organizations and activities.

### **Field of Interest Funds**

A field of interest fund allows a donor to designate a special area of interest, such as art education for children, or animal welfare, to which gifts from the fund will be made every year. This type of fund is ideal for providing assistance to the programs and nonprofits in the community that are working to address the issues that are important to you.

### **Community Needs Fund (Unrestricted General Endowment)**

The unrestricted endowment is used to fund grants that are awarded to local nonprofit organizations throughout the year, in addition to assisting with annual operating costs. This important fund gives donors the ability to help the Foundation respond to the urgent and critical needs of our community throughout the years.

# Solving Transportation Challenges

Scranton Area Community Foundation is a catalyst for change and growth throughout Northeastern Pennsylvania leading numerous initiatives that bring together community leaders and changemakers to make a difference in areas important to our region.

One of those initiatives focuses on solving the regional transportation challenges that limit equitable access to affordable housing, job opportunities, education, and quality health care. By promoting equity and encouraging economic growth, **NEPA Moves** of the Scranton Area Community Foundation is making strides to address transportation barriers, improve access, and foster greater opportunity for people and communities across Northeastern Pennsylvania. Spearheaded by the Foundation in partnership with the Federal Reserve Bank of Philadelphia, NEPA Moves brings together nearly 100 key regional stakeholders.

*Because Every Life Has a Destination*

Formerly known as the NEPA Equitable Transit Council, NEPA Moves adopted the new brand in 2018. In order to increase visibility in the community, we hosted a community-wide branding design contest in August where over 35 qualified entries competed to transform the NEPA Equitable Transit Council's brand. From the entries, the NEPA Equitable Transit Council formed a new identity—**NEPA Moves**—complete with a new logo and tagline.

Highlights from NEPA Moves in 2018 include developing a Resource and Asset Mapping Tool, launching the Geisinger Health Transportation Access Platform Pilot, developing a Mass Transit Toolkit, and developing a Workforce Transportation Survey. Throughout 2018, NEPA Moves was recognized as a model collaborative by a variety of regional and national leaders. On a state level, Pennsylvania Department of Transportation Secretary Leslie S. Richards addressed NEPA Moves in October and commended **NEPA Moves** for its phenomenal work to date, calling it a unique collaborative model not only for the state of Pennsylvania but a model nationally for cross-sector partnerships advancing transit

equity. On a national scale, members from NEPA Moves' leadership team were invited to speak as panelists at numerous conferences including the Rail~Volution Conference in Pittsburgh and the Federal Reserve Bank's Reinventing Our Communities: Investing in Opportunity Conference in Baltimore. NEPA Moves' leadership team also traveled to Philadelphia to a workshop hosted by the Federal Reserve Bank of Philadelphia to train the counties of York, PA, and Atlantic County, NJ, on how to establish a similar transportation collaborative in their region.

# Building Capacity for Nonprofit Organizations

Scranton Area Community Foundation aims to maximize the ability of nonprofit organizations to meet their critical missions by providing access to programs, training, and related technical assistance through the **Center for Community Leadership and Nonprofit Excellence**. Through the generosity of our donors and support through our partnership with the Moses Taylor Foundation, the Center **serves the capacity building needs of the nonprofit community through seminars and training programs facilitated by highly-skilled, nationally-recognized professionals.**

In 2018, over 100 nonprofit professionals participated in our seminars which covered topics including fundamentals of financial management, human resources for nonprofit managers, and succession planning for leadership transitions. Feedback from our nonprofit partners has been overwhelmingly positive about the quality trainings offered through the Center.

*"I'm so grateful and appreciative of the Scranton Area Community Foundation's Center for Community Leadership and Nonprofit Excellence programs. They are an invaluable tool in leadership and organizational development. The programs are substantive and informative and they have helped me to grow my own professional development. Thank you!"*

# Empowering and Transforming the lives of Women and Girls and their Families

Since its inception in 2014, **Women in Philanthropy** (WIP), has been an initiative of the Scranton Area Community Foundation that focuses on empowering and transforming the lives of women and girls and their families in Northeastern Pennsylvania.

To date, **Women in Philanthropy** has provided STEAM (Science, Technology, Engineering, Arts, and Math) Education to over 2,000 students in K-12 public schools, provided capital in the form of micro-loans to launch 14 local women-owned businesses, facilitated the financial education of over 120 low-to-moderate-income women, provided a \$1 for \$1 match to low-to-moderate-income women trying to build a savings, convened over 80 presenters on topics related to community health and wellness, formed a Dental Council of health leaders who are working on a pilot project to improve access to restorative dental care for women, and are actively working on advancing access to health services through transportation.

**WIP aspires to engage active supporters in collective decision making** to fund programs that foster transformative measures and move women from places of disempowerment and poverty to levels of personal empowerment and economic self-sufficiency. To date, there are nearly 100 active Women in Philanthropy supporters and growing! Other community foundations in Pennsylvania have modeled their programs after WIP.

**In September 2018, Women in Philanthropy awarded five STEAM Stars scholarships to local high school students** to cover the full cost of earning an associate degree (before they even finish high school!) through the Level Up Program at Lackawanna College.

The Women in Philanthropy STEAM Stars Scholarship Program provides a full scholarship to select female students in the Level Up Program at Lackawanna College, which gives high-achieving students the opportunity to take college-level courses so that they can obtain their associate degree by the time they graduate high school. A STEAM Stars Scholarship covers the students' entire time in the program at the total cost of \$6,200 per student.

**The 2018 STEAM Stars were honored at the Women in Philanthropy Quarterly Meeting and Reception** in September 2018. STEAM Stars scholarship recipients included Lexa Hunt, Mariah Kumor, and Bella McKeefery, all 10th-grade students at Riverside Jr./Sr. High School, and Aaliyah Jalil and Priyal Patel, both 11th-grade students at Scranton High School.

The STEAM Stars Scholarship Program is supported through Women in Philanthropy's STEAM Education initiative which works to help bridge the educational gap by providing funding for STEAM education locally. More and more organizations nationally are encouraging young women to study STEAM fields in college as careers in STEAM fields are growing and the need for skilled employees is increasing continually.

# 2018 NEPA Match Day

On Friday, May 4, 2018, twenty-five nonprofit agencies serving the people of Lackawanna County collectively raised a total of **\$217,765.76 in 24 hours** for the **4th Annual NEPA Match Day** event. Nearly 2,000 generous donors made gifts to support the participating nonprofits and NEPA Match Day Collective.

**NEPA Match Day** is traditionally held on the first Friday in May, and was created by the Scranton Area Community Foundation as a way to help the vital nonprofit organizations serving our community raise much needed capital to build organizational capacity. Additionally, **NEPA Match Day** encourages philanthropy in the community and demonstrates how even small gifts make a big difference to local agencies.

**The Scranton Area Community Foundation provided matching funds to each nonprofit organization participating in the NEPA Match Day collective on the first \$1,000 they raised.** All twenty-five participating nonprofit organizations exceeded \$1,000 for the second year in a row. We also offered additional bonuses to the top-performing organizations. First place bonus of \$6,000 was awarded to Lacawac Sanctuary and Field Station; second place bonus of \$3,000 was awarded to Maternal and Family Health Services; and third place bonus of \$1,000 was awarded to Northeast Regional Cancer Institute. Bonus awards were competitive and earned by the organizations scoring the highest point totals based on several areas including collaboration with other nonprofits, promotion of **2018 NEPA Match Day**, and attracting the highest number of individual donors.

In addition to exceeding \$200,000 collectively **for the first time** in **NEPA Match Day's** four year history, **this was the first year any of the participating nonprofits exceeded \$20,000 individually.** The three nonprofits that topped \$20,000 for the first time ever were the Catherine McAuley Center, Lacawac Sanctuary and Field Station, and the Greater Carbondale YMCA. Two additional nonprofits were high performers for the day with Indraloka Animal Sanctuary nearly reaching \$20,000 and the Scranton Cultural Center at the Masonic Temple easily surpassing \$10,000. Every dollar provided by the Scranton Area Community Foundation as a fund matching incentive was leveraged by the nonprofits to create \$8.50 in donations.

**In 2018, NEPA Match Day  
RAISED A RECORD AMOUNT—  
OVER \$217,000—in 24 hours!**

For **2018 NEPA Match Day**, the Scranton Area Community Foundation partnered with twenty-five area nonprofit organizations to maximize one day of giving with the belief that when we work together, we are stronger. Participation in **NEPA Match Day** was open on a first-come, first-served basis to 501(c)(3) nonprofit organizations serving the people of Lackawanna County.

Scranton Area Community Foundation is honored to serve as a community partner to help raise awareness of all the amazing work that our community nonprofit organizations are carrying out in Northeastern Pennsylvania. The nonprofit organizations who participated in the **2018 NEPA Match Day** event included:

- Alzheimer's Association
- Catherine McAuley Center
- Children's Advocacy Center of NEPA
- Countryside Conservancy
- Dress for Success Lackawanna
- Outreach - Center for Community Resources
- Everhart Museum
- Greater Carbondale YMCA

# Foundation Management Services

Scranton Area Community Foundation **provides management services to other charitable foundations.** By partnering with us, foundations can substantially reduce the expenses related to operations, grant making, accounting, and reporting because we perform this work on behalf of the partnering foundations. In addition to reducing overhead costs, the trustees or boards of these foundations can focus their efforts on accomplishing their missions, knowing that the back-office work will be completed in a thorough and professional manner by a competent team.

We proudly manage two other foundations: the **Northeastern Pennsylvania Health Care Foundation** and the **Robert H. Spitz Foundation**. In 2018, through assets under management, we administered more than \$31 million and distributed an additional \$1.5 million in grants and scholarships.

## Robert H. Spitz Foundation

The Robert H. Spitz Foundation distributed a total of \$711,247 in grants to the following nonprofit organizations in 2018: Boys and Girls Clubs of NEPA, Catholic Social Services of the Diocese of Scranton,

Dress for Success Lackawanna, Outreach Center for Community Resources, Geisinger Clinic, Geisinger Commonwealth School of Medicine, Goodwill Industries of NEPA, Jewish Family Services of Northeastern Pennsylvania, Lackawanna College, Marywood University, Nativity Miguel School of Scranton, NeighborWorks Northeastern PA, NEPA Youth Shelter, Serving Seniors, Inc., United Neighborhood Centers of Northeastern Pennsylvania, University of Scranton, Valley Youth House, and Women's Resource Center, Inc.

## The Robert H. Spitz Foundation

The Robert H. Spitz Foundation is a registered 501(c)(3) nonprofit organization that supports initiatives and programs serving the residents of Northeastern Pennsylvania. Robert H. Spitz was born in Scranton and was a 1955 graduate of Scranton Central High School and the University of Miami, Florida. Before retirement, Spitz had been employed

by the U.S. Department of Labor and was also the owner of several local Arby's restaurants. The Robert H. Spitz Foundation was established from his estate in 2015. Funding focuses on supporting programs that aim to break the cycle of poverty, remove economic barriers, and encourage independence in adults and children through access to safe, affordable housing, transportation, and education. Priority areas also include veterans' affairs and veteran-oriented programs; animal welfare, including programs that support humane education, homeless animals, and help the economically disadvantaged and the elderly to keep their companion animals; and support for Jewish culture, heritage, community, and cemetery support.

## Northeastern Pennsylvania Health Care Foundation

Scranton Area Community Foundation has served as administrator of the Northeastern Pennsylvania Health Care Foundation since 2013. The mission of the Northeastern Pennsylvania Health Care Foundation is to function as a charitable foundation that supports the health care needs including, but not limited to, health education, community wellness, payment for medical care of the uninsured and underinsured, regardless of the facility of treatment, and to improve the complete physical, mental, and social well-being of the residents of Lackawanna, Luzerne, & Wyoming Counties. The Northeastern Pennsylvania Health Care Foundation has provided \$766,000 in support in 2018. The Northeastern Pennsylvania Health Care Foundation also supports the Northeastern Pennsylvania Health Care Foundation Scholars' Program at the Geisinger Commonwealth School of Medicine.

### Meet Stephanie Tilberry, a 2018 Northeastern Pennsylvania Health Care Foundation Scholar!

Stephanie Tilberry is a student currently enrolled in the MD program at Geisinger Commonwealth School of Medicine (GCSOM) who has been directly impacted by the ongoing and generous support from scholarship funds and foundations managed by the Scranton Area Community Foundation.

Ms. Tilberry, a 2012 graduate of Riverside Jr./Sr. High School and a 2016 graduate of Colgate University, has also earned a master of biomedical sciences (MBS) from GCSOM in 2017. After demonstrating academic excellence and a desire to serve the communities of Northeastern Pennsylvania, she was also named a Northeastern Pennsylvania Health Care Foundation scholar in 2018, receiving **full tuition** from the NEPA Health Care Foundation while attending GCSOM's MD program.

She was also a recipient of the prestigious James F. Swift Scholarship, administered by the Scranton Area Community Foundation, which annually provides high school seniors graduating from a Lackawanna County high school \$4,000 per year for each recipient for up to four years to assist with continuing education expenses. Her goal is to become a doctor because she enjoys problem-solving and also has a strong desire to serve her community.

"I am so grateful to everyone at the Scranton Area Community Foundation and the NEPA Health Care Foundation who believed in me and encouraged me throughout every step of my academic journey. I feel incredibly humbled and motivated to continue working hard and honor the support I have received," says Tilberry.

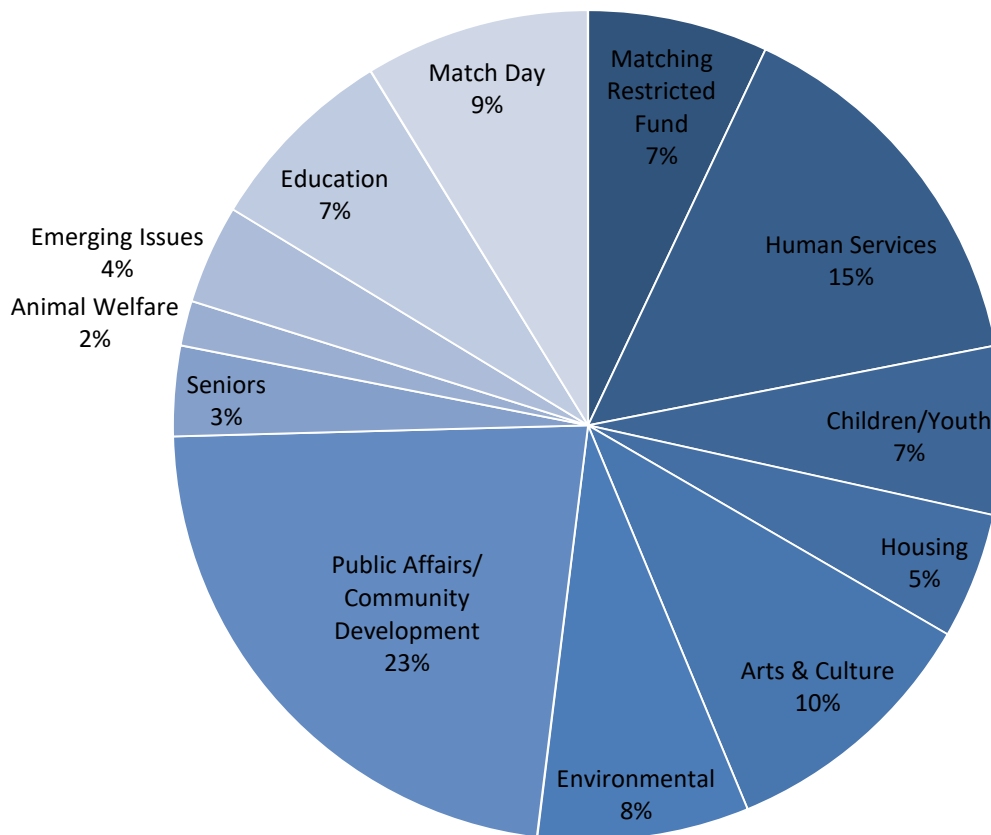

# Grants from the Community Needs Fund

Through generous donor support to the endowed **Unrestricted Community Needs Fund**, the Scranton Area Community Foundation was able to serve the community in 2018 through grant funding in a variety of **remarkable** ways.

Through our **Unrestricted Community Needs Fund**, in 2018, we provided grant funding to help:

- Expand Montessori Pre-K education
- Provide nourishing food to the hungry
- Support community revitalization
- Restore our regional historical treasures
- Provide safe housing for families
- Enhance lives of disadvantaged families
- Protect greenspace for public benefit
- Make humane and environmental education accessible
- ...and more!

# Listening to the Needs of the Community

Scranton Area Community Foundation's success as a grantmaker, charitable partner, and donor advisor depends, in large part, on having a comprehensive, clear picture of the region we serve. That's why we value the opportunity to hear from the leaders of nonprofit organizations, to get their perspective on the current issues and challenges they are facing, as well as what lies ahead. Our 2018 Community Forum meetings were organized for this reason.

In early 2018, the Scranton Area Community Foundation initiated plans for a new series of forum sessions, which were held in conjunction with the Northeastern Pennsylvania Health Care Foundation. These were slated for June 19th and 20th. Thirty-seven (37) organizations expressed interest in making a presentation. The forums were open to the public.

Each presenter discussed the organization's principal programs/services, barriers, and challenges. Following each presentation, Scranton Area Community Foundation staff and board members had a chance to comment and ask follow-up questions. In all, nearly seven hours of comments and discussion were recorded.

**A 2018 Community Needs Forum Report** was compiled from written notes and video recordings of the 2018 Community Forum sessions. It highlights a number of recurring themes that emerged from the Forum. It also discusses the next steps that the Scranton Area Community Foundation plans to take in order to respond to and/or to continue to address various

challenges that were discussed.

The **Marion M. Isaacs Legacy Circle** was named for the leader and philanthropist, Marion M. Isaacs, who served as Chairwoman of the Board of Governors at the Scranton Area Community Foundation from its founding until the end of her life. Today, philanthropists who want to invest in the future of the region can choose to join the Legacy Circle **by notifying us that they have included the Foundation in their estate plans**. The Legacy Circle encompasses all people who wish to create a legacy that will last forever and benefit our region in perpetuity. Planned gifts are an ideal charitable vehicle to provide lasting support to the causes and charities that are most important to you, while also protecting your loved ones. **Learn more about the Marion M. Isaacs Legacy Circle at [safplans.org](http://safplans.org).**

## Remembering *Jeanne Bovard* 1937-2018

The Scranton Area Community Foundation warmly remembers and celebrates the legacy of Jeanne Anderson Bovard, who served as Executive Director of the Scranton Area Community Foundation for 25 years until 2012. Jeanne was a true community leader who will be remembered and appreciated for her dedication, warmth, and kindness.

Jeanne joined the foundation in 1987, where she oversaw the distribution of more than \$10 million in grants to assist the educational, human service, environmental, civic and arts and cultural organizations of Lackawanna County. While leading the Foundation, she was a founding member of many successful community development initiatives including Scranton Tomorrow, Voluntary Action Center of Lackawanna County, and Leadership Lackawanna. Jeanne she was instrumental in bringing together organizations to create the Lackawanna County Housing Collaborative and under her tenure, the Foundation served as a partner with the PA Council on the Arts PPA program for ten years.

The Board of Governors and staff of the Scranton Area Community Foundation are incredibly grateful to Jeanne for a lifetime of commitment and dedication to our region and to the mission of the Scranton Area Community Foundation. Like so many in our community whose lives she touched, we will remember her passion to serve the community, always.

# Recognizing Excellence

## through Legacy Awards

At the Women in Philanthropy Annual Event in December we honored the recipients of the **2018 Margaretha Belin Chamberlin Award** and the **2018 Roseann Smith Alperin Award**—two awards that are presented annually through charitable funds established at the Scranton Area Community Foundation. Both awards are provided from charitable funds that were established both to memorialize a loved one and to honor qualities of excellence that exist in members of our community.

The **Margaretha Belin Chamberlin Award** has been presented since 1992 when a fund was established by the family of Margaretha Belin Chamberlin both to honor her memory and to recognize accomplishments of women in our community while encouraging their personal and/or professional development. The award is given annually to either a volunteer or professional woman who exemplifies the characteristics of Margaretha, including community-mindedness, tolerance, sensitivity, and leadership. Nominations for the Margaretha Belin Chamberlin Award may be made by any charitable organization or submitted by an individual. The award may be used by the recipient to enhance her role as a community leader interested in improving the quality of life in Lackawanna County. **The 2018 Margaretha Belin Chamberlin Award recipient was Laurie Cadden.**

The **Roseann Smith Alperin Award** was established by the Junior League of Scranton to recognize an outstanding female volunteer who exhibits the heart and spirit of Roseann Smith Alperin by demonstrating the capacity to lead, motivate, and inspire others and the community she serves. The Roseann Smith Alperin Award honors an area woman who has the capacity to encourage others to make more of themselves and the community they serve. The award may be used by the recipient to enhance her role as a community leader interested in improving the quality of life in Lackawanna County. **The 2018 Roseann Smith Alperin Award recipient was Katie Gilmartin.**

Scranton Area Community Foundation manages many charitable funds that provide awards to individuals that possess qualities that donors would like to recognize. **Contact us today to learn more about establishing a fund that can provide an award to maximize your philanthropic goals or to memorialize a loved one.**

# 2018 Annual Community Celebration

The Annual Community Celebration, **Celebrating a Night of Legacy**, was held on December 6, 2018 at POSH at the Scranton Club. The evening began with a CLE/CE presentation facilitated by Don W. Kramer, Esq., Chair of the Nonprofit Practice Group at Montgomery, McCracken, Walker & Rhoades. Attorney Kramer spoke about *The Hottest Topics in Nonprofit Law*. Following the CLE/CE presentation, was a reception featuring live music and hors d'oeuvres. The evening's program centered on the recognition of 2018's Featured Funds and Featured Community Partners. A video presentation encapsulating the work of the Foundation throughout 2018 was created by ECTV and presented to the gathering. Each year, we are honored to host this celebration that brings together our donors and friends at an event to mark the year's accomplishments, while keeping an eye toward improving the future of the region. **All of the year's accomplishments were made possible by the generous support of our donors and friends.**

# Becoming a *Medallion* Partner

Our **Medallion Partners Program** is a unique opportunity for Investment Advisors working in our region to help their clients accomplish their charitable planning goals using the wide variety of planned giving vehicles and expertise at the Scranton Area Community Foundation. The Medallion Partners Program allows charitably minded clients to choose and retain the investment and financial advisors they trust while still using the Foundation for their charitable giving purposes.

Our Medallion Partners are local, highly-skilled financial advisors who have been approved by the Board of Governors to manage charitable funds on behalf of the Scranton Area Community Foundation. Financial Advisors participating in the Medallion Partner program maintain the relationships they have formed with their clients while working with us to help achieve the charitable objectives of their clients.

Throughout our Medallion Partners Program, we offer networking opportunities, educational seminars on regional philanthropic needs, and CLE/CE accredited, professional education courses relevant to attorneys, financial advisors, and certified public accountants on a variety of relevant topics.

The Foundation looks forward to developing and deepening relationships with professional advisors in our community. To become a Medallion Partner with the Scranton Area Community Foundation, or to receive updates and information on the benefits we offer for attorneys, financial advisors, and CPAs, please contact us today.
